CIWEM Chartered Institution of Water and Environmental Management

Mr John A Rowley

Roles/Committees

International Task Group
Director CIWEM Services Ltd

John brings broad strategic and leadership skills to the Board of Trustees, as well as a thorough knowledge of the testing, inspection and certification industry, through his role as Managing Director of Lloyd's Register's global Management Systems (LRQA) and Inspection Services business since 2014.

John also offers a deep knowledge of the Asia Pacific region, where he has lived for the past 25 years. Between 2009 and 2014, John was President Lloyd's Register Asia Pacific, responsible for executive oversight of LR's activities in the region. Prior to that he worked for Ecolab, a Fortune 500 global market leader in the industrial chemicals industry, for 14 years, where he held key leadership positions in Hong Kong, Shanghai, Singapore and Sydney. Earlier in his career, John worked in environmental engineering. John has a degree in Biotechnology from Reading University and subsequently graduated from the Royal Military Academy Sandhurst in UK, and the Tuck School of Business at Dartmouth College
