TRANSPORT STRATEGY IN NOTTINGHAM

Wednesday, 16 November 2005 – 5.30 pm for 6.00 pm start

**The Djanogly International Centre
Nottingham Trent University**

**Presented by Mr Steve Brewer
Transport Planner, Nottingham City Council**

Nottingham City Council have a transport strategy centred on sustainable communities, linking land use with transport planning, management of travel demand, facility improvements and travel education and awareness.

A package of integrated transport measures has already been delivered and a Provisional Local Transport Plan for 2006 – 2011 has been submitted to the Government. Steve will discuss what has been delivered, what is set out in the Provisional Plan and what major schemes are proposed.

Steve has many years of experience in traffic management and transportation planning in Nottingham and London, and is currently working in Nottingham City's Transport Strategy Team.

This meeting contributes 2 hours towards Continuing Professional Development.

Coffee and Tea will be available from 5:30 pm and the presentation will start at 6:00 pm.

We would like to thank Atkins for generously donating the costs of the meeting room and refreshments.

A map of the Nottingham Trent University Campus is attached overleaf.
