

ICE Merseyside Branch, ICE Management Group & CIWEM presents:

## ***BUILDING A BETTER WORLD***

Speaker: **David Nickols**, President, MWH

Liverpool John Moores University (Peter Jost Suite), Byrom Street.

**Monday 14<sup>th</sup> April 2008 (18.00 hrs for 18.30) – hot and cold buffet from 18:00**

### **Building a better world:**

During this presentation David will talk about the challenges facing the world today and the company's mission to build a better world.

David joined MWH in August 2005 as Director of Operations for the Europe, Middle East, Africa and India (EMEA) region. In 2006 David was appointed President of the EMEA region. David is currently responsible for the growing organisation of MWH in the region, providing consulting, engineering & construction, and project and programme management services. David has worked in most parts of the world, and prior to focussing on management and client service was a technical expert in drinking water treatment processes. David is a member of the Institution of Civil Engineers and chairs the ICE's Expert Panel for Water.

MWH is one of the world's largest engineering technology and environmental service companies. They strongly believe in the importance of management practices that are economically, environmentally and socially sustainable.
