**South Eastern Branch
Programme 2007/2008**

CIWEM SOUTH EASTERN BRANCH MEETINGS PROGRAMME 2007/2008

Evening meetings where papers are presented start at 1800hrs for 1830hrs. Please check the mailshot or Web Page for the times of meetings which include a site visit. We will soon be moving to the use of email flyers and communications so please advise Richard Phillips (rphillips@southeastwater.co.uk) of your email address. In addition, we have decided that we will no longer make a charge for our meetings.

Further details regarding registration for meetings, presenters, venue location, times and special instructions will be given on notices issued to members throughout the year. These, and additional South Eastern Branch details, will also be posted on our web page http://www.ciwem.org.uk/branches/south_eastern/ which is updated throughout the year.

Don't forget to also look at our neighbouring Branches programmes! ([Central Southern](#) and [Metropolitan](#))

2007

Tues 11 September

Site visit to Shopham Loop, West Sussex

Mark Smith & Charlotte Murray, EA, to lead a site visit to Shopham Loop river restoration to see the environment benefits and hear about the challenges encountered during this project.

Tues 2 October

Environmental Management on a Major Construction Site at the Olympic Hotel, Swanley

Speakers from Skanska & RSK to discuss the many environmental aspects that can occur on large infrastructure projects; what can be achieved by advance timing aspects; and what can happen to upset those careful plans when you start on site.

October

Geoff Greaves Trophy

See CIWEM web pages for details

Wed 7 November

New Members Meeting, at Royal Haskoning, Haywards Heath

Rosemary Butler from CIWEM will talk about Routes to Membership.

Thurs 15 November

Catchment Flood Management Plans, at the Cranston Suite, East Court Mansion, East Grinstead.

Kerry Turner from Capita Symonds will be talking about the production of Catchment Flood Management Plans (CFMPs) for the Environment Agency.

Wed 5 December

A Story of Change on the Humber Coast, at Black & Veatch, Redhill, Surrey

Matthew Clegg, Black & Veatch, will discuss obligations under the Habitats Regulations for coastal change on the Humber.

2008

Tues 15 January

Ashford & Sustainability, at Charter House, Ashford

Laurienne Tibbles, from Ashford's Future, will discuss various projects and initiatives that are ongoing in Ashford to ensure that the town's growth is sustainable.

February (Details to be confirmed by mailshot, email and CIWEM Web Page), IRE, Chatham, Kent

Annual joint meeting with IRE and CIWEM Metropolitan Branch at Brompton Barracks Chatham, including an interesting presentation, followed by a meal in the Officer's Mess.

Wed 12 March

Floods, Droughts and the Chalk Aquifer, at Brighton University

Rory Mortimore, Brighton University, will talk about water resources and flooding problems in Southern England and Northern France, and will reflect on

the need for continuing research in engineering geology for water and environmental management.

Thurs 17 April

Nitrogen Removal, at Southern Water, Falmer

Narinder Sunner, 4Delivery, will talk about the design and commissioning of wastewater treatment plants for total nitrogen removal in Southern Water.

Thurs 8 May

Young Members Evening, at the University of Brighton, East Sussex

Annual opportunity for young members to compete in this competition and win prestigious prizes.

Tues 20 May

Permeable Reactive Barriers, at Black & Veatch, Redhill, Surrey

Dr Genevieve Boshoff who is the Remediation Manager for Terrsula Ltd. will outline the general principles of Permeable Reactive Barriers and introduce some case studies to illustrate the effectiveness and versatility of this technology.

Thurs 19 June

Site visit to Ridge View Estate Vineyard, Ditchling

A comprehensive tour of the vineyard and state of the art winery followed by tasting of some sparkling wines.

July

Site visit to Wichling WTW, Kent.

Date to be confirmed by mailshot, email and CIWEM Web Page.

Talk and site visit to a membrane filtration plant recently installed at Mid Kent Water's Wichling works.

Wed 16 July

Site visit to Dunbrik Composting Facility, Sundridge

A guided tour of this composting facility, followed by the AGM. It is hoped that a presentation on another waste topic will also be organised, after the AGM.

BENEFITS OF MEMBERSHIP

Chartered Status Granted chartered status in 1995, its centenary year, CIWEM is the premier institution covering all aspects of water and environmental management.

Qualifications Membership of CIWEM and obtaining the Institution's Diploma are recognised as valuable qualifications by many employers.

Branch Meetings The South Eastern Branch organises a wide range of lively meetings throughout its area on key subjects including the use of the latest technology and ideas. Site visits provide unique opportunities to see modern construction techniques and state-of-the-art plant in use. Meetings and visits can attract credits in respect of Continuing Professional Development (CPD).

Journal Published four times per year, the Journal of the Institution is one of the leading authoritative technical journals. Members are encouraged to submit both long and shorter papers for peer review and inclusion in the Journal.

Magazine Ten issues each year of Water & Environment Magazine containing news and topical articles are circulated to all members. Contributions for publication are welcome.

Structured Training A structured training scheme to take younger members through a systematic training and development programme is now in place.

Membership When you join CIWEM, you become part of an International network of professionals who share a commitment to sustainable environmental management and development. Further qualifications through CIWEM

- Suitably qualified CIWEM members are also eligible for registration with the Engineering Council (UK) as Chartered (CEng), Incorporated (IEng) engineers, or Engineering Technicians (EngTech).
- The Science Council as Chartered Scientist (CSci)
- The Society for the Environment as Chartered Environmentalist (CEnv).

To find out more about these additional qualifications or any other membership matters please contact CIWEM Membership Department on 020 7831 3110 or email membership@ciwem.org.uk
