

Working for a clean, green and sustainable world, the Chartered Institution of Water and Environmental Management (CIWEM) is the only independent, chartered professional body with an integrated approach to environmental and social issues.

Benefits of membership:

- Improved career prospects, global employability and salary enhancement
- Peer recognition and enhanced professional status
- Networking opportunities with established professionals
- Registration with the Engineering Council, Science Council and Society for the Environment
- Subscriptions to CIWEM publications
- Discounts on products and services
- A demonstration of your commitment to your career

CIWEM provides membership grades for all stages of your career, allowing you to progress as you gain experience.

CIWEM's membership help desk is open Monday to Friday between 9am and 5pm, so there is always someone at hand to help with specific application enquiries, professional development and training, or general enquiries about our work.
