

## **Environmental Partner Membership**

### **1. Who can join as a CIWEM Environmental Member?**

Environmental Partner is a non-professional grade of membership for people with an interest in the environment and who would like to keep up-to-date with current issues.

It is also a complementary membership offered to attendees of branch events for the remainder of the year only.

### **2. Why become a CIWEM Environmental Member?**

- Environmental Partner's receive invites to the local Branch events, these provide an excellent opportunity to network with key professionals working within the industry.
- Receive publications including The Environment magazine and e-newsletters.

### **3. How to become a CIWEM Environmental Member?**

The application for CIWEM Student Membership is completed online, follow this [link](#) for the online application.

### **4. How much does CIWEM Environmental Partner Membership cost?**

The first year for Environmental Partnership Membership is free to the end of the calendar year after which the annual subscription fee would be £98.
