

## **Graduate Membership**

### **1. Who can join as a CIWEM Graduate member?**

The minimum academic requirement for Graduate Membership is a UK honours degree. Candidates do not require post-graduate professional experience and are encouraged to apply to join CIWEM straight after leaving university.

### **2. Why become a CIWEM Graduate Member?**

- Graduate membership enables you to start building your network and to acquire professional experience through involvement with your local CIWEM Regional Branch.
- Graduate membership entitles you to copies of our Environment Magazine and newsletters.
- You will have the opportunity to attend conferences, events and technical presentations.

### **3. How to become a CIWEM Graduate Member?**

The application for CIWEM Graduate Membership can be completed online through our website.

### **4. How much does CIWEM Graduate Membership cost?**

Graduate Membership costs £151, the application fee includes subscription till the end of the calendar year. The annual subscription is £127.
