Signed:

Date:

Notes on becoming a CIWEM branch committee member

The branch committee consists of five officer posts (chairperson; honorary secretary; immediate Past chairperson; honorary treasurer; and new members group chair) and up to ten ordinary committee member positions.

Please note that to stand for one of the officer positions, you are required to be a corporate member of CIWEM (*corporate members include members (M.CIWEM), Chartered Members (C.WEM), fellows (FCIWEM) and honorary fellows (Hon.FCIWEM) of the institution who were corporate members immediately prior to their admission as honorary fellows.*)

There is no corporate membership requirement to stand as an ordinary committee member although we do hope that you would be working towards Chartership. Committee work can be a great way to demonstrate CIWEM mandatory competencies (particularly E2, E1, D1, C3, C2, C1, B4 and A1.)

There is an expectation of branch committee members that they attend a minimum of four committee meetings a year including the AGM together with taking the lead in organising events from time to time.

Proposers and seconders should be members of the institution.

Should there be more nominations than vacancies for the branch committee, ballot papers will be circulated to branch members in attendance at the AGM.

If no nominations are received the vacant positions will be filled by existing committee members elected at the AGM.
