

## Mr L Bruce Keith

### Roles/Committees

President  
Chair International Task Group  
Nominations Committee  
Property Task Group

Bruce brings significant leadership and senior management experience to the Trustee Board along with skills in strategic thinking and corporate governance. His career spans private practice, government and a FTSE 30 energy company. He retired recently as Head of Property, Scottish and Southern Energy plc (SSE) and was formerly Chief Surveyor at English Nature/Natural England. He is an ambassador for the importance of the sound use and management of the land and water resource and the natural environment.

Bruce is a Chartered Surveyor, a Chartered Water and Environmental Manager and a Chartered Environmentalist. He is a Fellow of the Royal Institution of Chartered Surveyors (RICS) and served as Chair of its Rural Faculty Board in 2005. He also sat on the RICS Land Consultancy Group and 2010 Vision Project. He is the 2016 Temper-ton Fellow at Harper Adams University.
