

## **Combined Sewer Overflows – from challenge to opportunity**

**28 – 29 March 2023**

### **Sponsor**

Are you working in urban drainage and surface water management, do you want to raise awareness of your company and the great work you are doing? Do you feel passionately about supporting the sector's early career professionals, promoting good practice and delivering thought leadership? We are seeking partner organisations to sponsor the training content and help CIWEM and CIWEM UDG deliver valuable training to the industry.

#### Benefits of sponsorship:

- Discounted training attendance (20% discount for your staff)
- Company Logo on event web-page, booking page,
- Company Logo on all social media and advertising materials
- Company Logo on training presentations and workbooks (live and virtual)
- Company Logo on post course mail out and learning resources
- 1 reflection piece / commentary post event released through CIWEM news
- Opportunity to host one of our regional LIVE learning hubs hosting local professionals on site at your office (*Optional Benefit*)

Investment: £975.00+VAT

If you require any further information on Sponsorship, please email our Learning and Development team at [learning@ciwem.org](mailto:learning@ciwem.org) or call 020 7831 3110.
